

# Around The Throne

Lyrics & Music by Benny Mao

---

**D** There's a throneroom filled with praise  
**G/B** where music of the angels play  
**G** for the King who calls us to this place **D**

And all the world arrives with fear  
**G/B** cause there's a holy God who's here  
**G** and he brings his Kingdom now revealed **D**

**G** **D/F#** **Em**  
Jesus, you came from the cross  
**G** **D/F#** **Em**  
to extend your hand to us  
**G** **D/F#** **Em** **D/F#** **Em**  
to join with all the heavens and the earth  
**A**  
to come and see you now

**D** **D/F#** **G**  
I will wait for you til your presence comes  
**A** **D**  
I will worship you my God and King  
**D/F#** **G**  
I will wait on you in your presence here  
**A** **D**  
as I worship you my God and King

Now's the time for you to lead  
the hearts of those that are in need  
to the cross you want us to receive  
Every nation, tribe and tongue  
gather songs of what you've done  
and send them to your holy throne above

Jesus, you came from the cross  
there, you gave your life for us  
we join with all the heavens and the earth  
to come and see you now

**D**  
I will worship  
**D/F#**  
I will worship  
**G** **A**  
I will worship you my God and King
