

Promise For Her

Lyrics & Music by Benny Mao

E **E/G#** **A B**
There is a promise we hold
E **E/G#** **A B**
It's unfulfilled but we can't let go
E **E/G# A B**
We cry for holy release
E **E/G# A B**
and for the church to again be free

Restore your temple oh Lord
Make it a place where the sinners go
We cry for truth for our souls
and for the church to be real to the world

A E/G# F#m E/G# A E/G# F#m
Je - sus, hear us Je - sus,
E/G# A E/G# F#m B
We cry Jesus Je - sus

A spoken promise remains
It's the inheritance of the church
We ask anointing to flow
as we dig wells of revival now

E E/A# A B
Will you hold the church again?
E E/A# A B
Will you touch the church again?
E E/G# A
Will you send your Holy Spirit
E/G# F#m B
to our house and make it yours?
