

Freedom Cry

Lyrics & Music by Leonard Chen

E **B**
All across this land tonight
F#m **A**
We can hear the distant sound
E **B**
Sounds of people come to life
F#m **A**
Dancing from the freedom found

With one heart we come to you
All our pride we now lay down
Different people, with one voice
Singing from our broken hearts

E **B**
Set us free now as we dance
C#m **A** **E**
Show us now your hope for us
 B
Let your truth give us new life
C#m **A**
As we worship you

All across the world today
We can hear the people's voices
Sounds of freedom, don't delay
Crush our shackles through our praises
With one vision in our minds
All our hopes are vested in your word
We will wait until we find
All the promises you have in store

C#m **A** **E** **B**
You have met me in the darkest night
F#m **E/G#**
With just a simple word
F#m **E/G#**
Just a simple glance
F#m **E/G#**
Just a simple thought
 C#m **A**
You lead us through the night

Revival Prayer

Lyrics & Music by Benny Mao

F What will it look like when your presence comes to your
Gm **F**
people gathered here?

Bb
What will it be like when we feel the sound of a
Gm **F**
holy tremble near?

Bb **C**
What will it look like when you arrive and
Dm **Bb**
hearts will turn to you?

Gm **C**
What will it be like when you appear and
Dm **Bb**
souls will follow you?

Gm **C**
Oh God we cry

F
Send your glory to us

Bb
your presence free among us

Gm **Bb** **C**
released in every nation moving the earth now

Send your presence to us
your glory free among us
released in every nation turning the world now

What will it look like when your spirit comes
answers prayers we gave for the lost?
What will it be like when these people come
have their lives renewed through the cross?
What will it look like when you arrive and
hearts will turn to you?
What will it be like when you appear and
souls will follow you?
Oh God we cry
